St. Paul of Tarsus - Knight's of Columbus Council #11689

November, 2016

**Charity, Unity, Fraternity, and Patriotism**

Volume 21

## A Word from Grand Knight Art Krygowski

In November, we celebrate Thanksgiving in commemoration of those early Americans who came together for a feast thanking God for their community and the land where they were beginning their new lives. In their giving thanks to God, they were thanking Him for the unity of their community. For me, I am also thankful for a sense of unity in my life, unity with my Brothers in the Knights of Columbus.

*On Saturday October 8,<sup>th</sup> 19 brother Knights came to the Road clean up. Headed up by Brother Greg Csernai, it lasted about an hour. He sends his Thank you to all.*

*After the road clean up about 9 Brothers stayed for a fun filled morning of running a 2 man post hole digger with 5 men to install the receivers for our new Pancake Breakfast and Fish Fry signs. The ground as you may know here in Clinton Township is not only clay with a little dirt the deeper you go I believe there may have been some cement.*

*After that we stayed and planted the Fr. Lou tree. It is an Ivory Silk Lilac Tree. There will be a memorial plaque placed and a dedication service at a later date.*

*I would like to thank George Mejaly for setting up the distribution of flu shots at our last General Membership Meeting where 15 Flu shots were given. Also I would like to thank Rick Okerhjelm for heading up our dinner at this meeting, we had a nice meal and social time with Brother Knights and their wives.*

*On October 14,<sup>th</sup> the Knights of Columbus 2018 Installation of State Leadership Dinner presented by the "Come Walk With Me" Committee was held, and 11689 had a table representing our council. Tony*

Vittorini personally thanked us all for our support.

*The Basketball free-throw was held Saturday October 15,<sup>th</sup> and it was a very disappointing turn out. We had four students sign up, and the only one who showed up is actually 16 years old but is allowed to shoot in the District Competition. **Congratulations Ryan!** Next year we are changing the time to later in the morning and will attempt to broadcast this event better and to hopefully get more students involved.*

*Our last District Planning Meeting of 2016 was held on October 18<sup>th</sup> at St. Clement in Romeo. It was well attended by all four council's. We shared stories and new ideas for future growth in membership and activities. Thank you to all who attended.*

*20 Tickets for the 2016 Prep Bowl at Ford Field on October 22<sup>nd</sup> were given to the Youth group. It is a day-long football and entertainment experience for all to enjoy.*

*Our next Euchre Tournament is Saturday, November 5, 2016, 6:00pm, with set up at 5:00 pm. See Mike Hartel for details.*

At the next General Membership Meeting November 14<sup>th</sup> we will be collecting donations for Christmas Gifts that will be given to **Holy Cross Children's Services**. Please read our Worthy DD's request:

Feast of St. Matthew  
Grand Knight Art Krygowski  
Knights of Columbus Council

Clinton Township, MI 48038

Dear Grand Knight and Brother Knights:

Peace and All Good to all Knights and their families!  
Thank you for our kind concern and generous response to our recent destructive floods in Louisiana. Your donation of \$500 will help aid the Secular Franciscan Families affected by the floods.

Last week, I met a Franciscan couple from Baton Rouge, Louisiana at our St. Paul Church in Lafayette. They shared with a heavy heart how constant and sudden the rains fell and how quickly the water rose first in their streets and then trapping them in their homes for 3 days with 3 feet of water until the waters resided and they were able to find a dry shelter and food.

This Franciscan family and other families are very strong and determined to recover and rebuild their homes and lives. There are so many families affected by the flooding but be assured that your donation makes this possible for our dear Franciscan families and they are grateful.

God bless St. Paul of Tarsus K of C Council,

Your brother knight,

Fr. Joe Hund,

## Protecting God's Children / Background Check

As has been mentioned numerous times at council meeting and in this newsletter, you must have taken the Protecting God's Children class and have submitted your name to the church offices to have a criminal background check done in order to volunteer at any K of C event that takes place on the church property. Three upcoming Protecting God's Children classes in our area are:

November 5 St. Paul of Tarsus at 8:30 am.

Go to [www.virtusonline.org](http://www.virtusonline.org) to check for available classes and to register.

## Knight of the Month and Family of the Month

The **Knight of the Month** is selected by the Board of Officers, as a Knight who exemplifies in his daily life the principles of Catholic Life, and is instrumental to the success of our Council, Church, and Community.

The Knight of the Month for October: **"Joe Phillips."**  
In recognition of his exemplary service to the Council.

The **Family of the Month** is selected by the Board of Officers as a Family who exemplifies in the principles of Catholic Family Life, and who contribute to the success of our Council, Church, and Community.

The Family of the Month for October: **"James Carnaghi Family."** In recognition of their out-standing service to the Council.

## VETS Returning Home

I have had several inquiries about giving large appliances like stoves, refrigerators and freezers to the Vets Returning Home program. When these vets leave, they typically move into apartments which already have these appliances. Therefore, the Vets Returning Home organization cannot use these kinds of appliances.

If you have furniture that you wish to donate, they will come to your house for pick-up. The direct number for pick-up is 586-285-6506. When you call they will establish a scheduled time and date for pick-up.

If you have any questions, please call me at 586-469-1997.

Thanks,

Phil Kwasny

## The Lighter Side

A photographer goes to a haunted castle determined to get a picture of a ghost on Halloween. The ghost he encounters turns out to be friendly and poses for a snapshot. The happy photographer later downloads his photos and finds that the photos are underexposed and completely blank.

**Moral to the story:** The spirit is willing, but the flash is weak.

Brother Knight: What is a million years like to you?

God: Like one second.

Brother Knight: What is a million dollars like to you?

God: Like one penny.

Brother Knight: Can I have a penny?

God: Just a second.

An elderly lady was well-known for her faith and for her boldness in expressing it. She would stand on her front porch and shout "PRAISE THE LORD!" Next door to her lived an atheist who would get so angry at her proclamations he would shout, "There ain't no Lord!!" Hard times set in on the elderly lady, and she prayed for GOD to send her some assistance. She stood on her porch and shouted "PRAISE THE LORD. GOD I NEED FOOD!! I AM HAVING A HARD TIME. PLEASE LORD, SEND ME SOME GROCERIES!!!"

The next morning the lady went out on her porch and noted a large bag of groceries and shouted, "PRAISE THE LORD." The neighbor jumped from behind a bush and said, "Aha! I told you there was no Lord. I bought those groceries, God didn't."

The lady started jumping up and down and clapping her hands and said, "PRAISE THE LORD. He not only sent me groceries, but He made the devil pay for them. "PRAISE THE LORD!"

## How to Prove Live Begins at Conception Part 4

### Are the unborn organisms?

What do we mean when we say the unborn is an organism? According to the *Oxford English dictionary*, an organism is a collection of biological parts, or organs, that function together to sustain the existence of a whole being that possesses the qualities of life. I use the following simple test to show something is an organism and not just a clump of cells.

“If I can give this living thing time, nutrition, and a proper environment, and it is able to develop toward becoming a mature member of its species, then it is an organism and not a mere body part.” Body cells such as skin, sperm and egg—even given time, nutrition, and any environment—can never develop into an adult human, so they fail the organism test. You and I, however, are organisms, because if we are given time, food and the proper environment (i.e., not on the moon or at the bottom of the ocean), we will continue to develop into mature members of the human race.

Likewise, an unborn child, when given time, nutrition and a proper environment (i.e., not outside the uterus) will develop into a mature human being if he does not die prematurely. Embryologist E.I. Potter points out, “Every time a sperm cell and ovum unite, a new being is created which is alive and will continue to live unless it’s death is brought about by some specific condition” (*Pathology of the Fetus and the Infant*, 3<sup>rd</sup> ed., vii).

From the moment they began to exist at conception, the unborn differ in kind from human tissue or body parts like sperm, egg or skin cells. Unborn humans are also not like cancerous tumors that can grow and even sprout body parts such as hair or teeth but lack the potential to develop into an adult human. The fact that some embryos and even other born children die before they become adult humans does not negate the fact that they are human beings, because they have the intrinsic capacity to develop into a mature member of the species—even if their development is tragically cut short.

Pro-choice bioethicist Peter Singer agrees. “[T]here is no doubt that from the first moments of its existence an embryo conceived from human sperm and egg is a human being,” he writes, “and the same is true of the most profoundly and irreparably intellectually disabled human being, even if an anencephalic infant—that is an infant that, as a result of a defect in the formation of the neural tube, has no brain” (*Practical Ethics*, 3<sup>rd</sup> ed., 73).

## November is Long Term Care Awareness Month

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts.

If we have not spoken about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me.

Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.

### Holy Cross Children's Services Calendars

Holy Cross Children's Services 2017 calendars are now available and will be at the October 10th meeting. The cost of each calendar is \$25.00 and serve as a raffle ticket throughout all of 2017, with the proceeds going to support HCCS.

Brother Francis appreciates your participation in this important fundraiser.

### E-Mail Communications

Brothers:

One of the methods we use to communicate various events for the Knights is an e-mail list. As coordinator for the list, I want to ask any of you that haven't been receiving these messages to send me an e-mail from your home account. This will give me the correct and current e-mail for you, and I will keep you on the list.

Fraternally,

George Loewen

We need drivers, overnight watchmen, meal preparation, clean up and other assistance. A sign-up sheet with the list of jobs and times will be available at the

November council meeting. If you are unable to attend the meeting and want to sign up to work please call Ray Coughlin at 586-412-7178.

In addition to providing manpower to host this event, the Council has donated \$1,287 to the St. John MCREST for the purchase of transportation vouchers, food and other supplies.
