

The Knight's Shield

St. Paul of Tarsus - Knight's of Columbus Council #11689

July, 2018

Charity, Unity, Fraternity, and Patriotism

Volume 23

A Word from Grand Knight Mike Hartel

Brother Knights, thank you for your confidence in selecting me to be your Grand Knight. It will be an honor to serve and help lead our great council that has been shaped over the past 20 years by our officers, directors, chairmen and all Brother Knights who have and continue to support the spirit and principals of our order.

I would like to thank all outgoing officers and directors for their time, hard work and dedication they have given to this council. A special thanks to our outgoing Grand Knight, Art Krygowski and Membership Director, George Loewen. Do not be concerned that Art and George are retiring completely from our council officer and director ranks. Art was elected to Trustee and will also stay on as our Council Youth Director. George will remain as our Council Community Director.

Congratulations to all of our incoming officers and directors. I look forward to working with all of you in the coming fraternal year. I would especially like to welcome the following officers and directors to their new positions: Tom Gray, Deputy Grand Knight (Tom has been our Chancellor for the past two years); Steve Kargenian, Chancellor (Steve has been a trustee for 3 years and has recently volunteered to chair our pancake breakfast), Phil Mularski, Membership Director (Phil has been active with recent membership recruiting efforts by creating the pamphlets and articles such as 'Why become a Knight?' and the '24 Hour Knight' while also leading the rosary for many of our fallen brothers); Frank Burda, Lecturer (Frank has been filling in for Jim Hubbard). Please support these brothers in their new roles and continue to support all our officers and directors! We are a very active and dynamic council. Thank you all for your time and effort you have given to this council!

Please welcome three new Brothers Knights to our Council: James Perreault, Anthony Radman and Steve Szypa. They completed their admission degree joining our council on June 25th.

You will find that proper communication is very high on my priority list for a well-organized council. Effectively communicating with our brother knights, parish staff, fellow parishioners and the general public is a key element to successful events, fundraisers and a smoothly well run council. To try and help improve communication and help streamline our monthly General Meeting, the monthly Officer Meeting is being renamed to Council Planning Meeting. All council members are welcome to this meeting. They are typically held on the fourth Thursday of the month. This is a good place to bring ideas for consideration to the council and to initially request support for a charity you are supporting. It is especially important for all Officers, Directors and Chairmen to try and attend these meetings.

I encourage the council, which is all of you, to get more active with the newsletter. Maybe you just read a good joke that would be appropriate for the Lighter Side of the newsletter. This newsletter is OUR council newsletter and not just an exercise or busy work for the Grand Knight and our editor. We have received many compliments on the quality of our newsletter. This is one of our main opportunities to communicate with not only our council members but with our families, fellow parishioners, other councils and the general public. All event chairmen, please take the time to send an article to our editor (Chris Gapczynski) for our monthly newsletter a month or two before your event. Be sure to check the latest newsletter for article deadlines.

I would like to thank Ted Czarny for spearheading the hard copy mailing of our newsletter the last few years. Also, Hank Leflere, Phil Kwasny, George

Sakorafos and Ralph Pullis who help with the final prep work to mail the newsletters each month. FYI, through our effort to email the newsletter to as many council members as possible, instead of mailing a hard copy, we are saving the council over \$1000 a year in postage and printing expenses! Thank you!

Now that summer is here, try to take some time and enjoy some of that beautiful God-given sunshine while we have a slightly slower pace in our council and plan to come back physically, mentally and spiritually refreshed by the time September arrives when we know the pace will quicken.

Please remember our fallen brother Ken Dombrowski. Please keep Ken and his family in your prayers.

Vivat Jesus
Mike Hartel

A Word from PGK Art Krygowski

The end of our fraternal year is upon us and as with many things in our life it's a time of change. The school year is closing and summer activities are cranking up keeping us all very busy. On top of all the changes we expect, we are also confronted with changes we don't anticipate. How we react and handle these changes, whether it's in our personal or professional lives says a lot about who we are. We need not face these challenges alone, we have God, our family and friends to rely on as we transition. That's part of being a Knight of Columbus, we are here for each other when needed. This is one of the founding principles that Father Michael J. McGivney envisioned when he brought our order together in 1882. I would like to thank all of you who have put forth so much effort this year, helping not only with the Knights of Columbus events, but all of the parish and community activities you participated in. Your stewardship, sharing of your time, talents and treasures are a great example to all. In everything that you do as Knights, and you do so much, never forget Christ's love for who makes it all work and who makes it all worthwhile. Regardless of our different views, if we are sincerely trying to follow Him, He will continue to bring us together. I know that so much is asked of you, especially the Officers. The Council needs you, your parish needs you, your community needs you and your family needs you. As you sift through your many responsibilities, do your utmost to make home-time quality-time. May the time spent growing as a Knight make us better Knights and better Catholic men and also make us better husbands and fathers. Our new Grand Knight, Mike Hartel, wants to serve us. I know our council will be good to him and for him as you were to me.

With all that being said, I want to thank Council 11689 for entrusting me to be your Grand Knight for the past two years. St. Paul 11689 is known by Michigan Supreme as a very spirited council. Our Past State Deputy, Ken Unterbrink and the late Tony Vittorini have spoken with me many times about 11689 and thanking us for all that we do as Knights. My reply has been that without such dedicated members as we have here it would not be possible. Thank you to all the officers and directors for the outstanding work you do to keep the council in check and a fine working organization. Thank you also to all the Past Grand Knights for building such a great council for the last 20 years which made my job as your Grand Knight not as difficult as it could have been. Then there is 11689 itself, with two hundred and twenty-four Brother Knights all contributing somehow, somehow, making this council what it is today! If I can be of any assistance to any Brother in need please don't hesitate to give me a call. May the Peace of Christ be with all Brothers and your families.

I grew up loving the innocence of Snoopy and The Peanuts Gang:

E-Mail Communications

Brothers:

One of the methods we use to communicate various events for the Knights is an e-mail list. As coordinator for the list, I want to ask any of you that haven't been receiving these messages to send me an e-mail from your home account. This will give me the correct and current e-mail for you, and I will keep you on the list.

Fraternally,

George Loewen

Only Having Insurance “Through Work” DOESN’T WORK

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there’s a possibility that you (or your spouse) could change employers, or even lose your job.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.

DONATION REQUESTS

Because of the ongoing requests for donations, both through the mail and from the floor at Council Meetings, the following procedure to address such requests has become necessary:

All donation requests should have supporting documentation that explains their purpose and beneficiaries. This documentation should be presented to the Council officers for their review. The Council officers, after review, will provide a recommendation on each request to the general membership at the subsequent Council meeting. The recommendations will be voted on at that time.

This procedure will apply to all mail requests and requests made from the floor. Please remember this procedure if you have a request to be made.

VETS Returning Home

I have had several inquiries about giving large appliances like stoves, refrigerators and freezers to the Vets Returning Home program. When these vets leave, they typically move into apartments which already have these appliances. Therefore, the Vets Returning Home organization cannot use these kinds of appliances.

If you have furniture that you wish to donate, they will come to your house for pick-up. The direct number for pick-up is 586-285-5606. When you call they will establish a scheduled time and date for pick-up.

If you have any questions, please call me at 586-469-1997.

Thanks,

Phil Kwasny

The Lighter Side

Now that the kids are on summer recess:

1. A little girl was talking to her teacher about whales. The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal, its throat was very small.

The little girl stated that Jonah was swallowed by a whale.

Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible.

The little girl said, "When I get to heave, I will ask Jonah."

The teacher asked sarcastically, "What if Jonah went to Hell?"

The little girl replied, "Then you ask him."

2. A kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work.

As she got to one little girl who was working diligently, she asked what the drawing was.

The girl replied, "I'm drawing God."

The teacher paused and said, "But no one knows what God looks like."

Without missing a beat, or looking up from her drawing, the girl replied, "They will in a minute."

3. A Sunday school teacher was discussing the Ten Commandments with her five and six year olds.

After explaining the commandment to 'honor' they Father and they Mother, she asked, "is there a commandment that teaches us how to treat our brothers and sisters?"

Without missing a beat, one little boy (the oldest of a family) answered..."Thou shall not kill."

4. One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head.

She looked at her mother and inquisitively asked, "Why are some of your hairs white, Mom?"

Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white."

The little girl thought about this revelation for a while and then said, "Mommy, how come ALL of Grandma's hairs are white?"

5. A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, "Now class, if I stood on my head, the blood, as you know, would run into it and I would turn red in the face."

"Yes," the class said.

"Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?"

A little fellow shouted..."Cause your feet aren't empty."

6. The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note and posted on the apple tray:

"Take only ONE. God is watching."

Moving further along the lunch line, at the other end of table was a large pile of chocolate chip cookies.

A child had written a note, "Take all you want. God is watching the apples."

Our Council newsletter is now available online at the St. Paul of Tarsus Parish website, www.stpauloftarsus.com.

Anyone who wishes to view our newsletter via the Internet instead of by regular mail, should contact Chris Gapczynski at 586-263-5942 or at spotknights11689@gmail.com. Doing so would save our Council a great deal of money for printing and postage.
