St. Paul of Tarsus - Knight's of Columbus Council #11689

June, 2018

Charity, Unity, Fraternity, and Patriotism

Volume 23

A Word from Grand Knight Art Krygowski

Please welcome to 11689 our newest Brother, Greg Kropidlowski, who completed his admission degree, hosted right here at St. Paul of Tarsus. Also thank you to Chuck Lomasney for standing in as a candidate from 11689 so Greg was not alone.

At the time of this writing we need two more candidates to receive Star Council. Please help keep this honor ongoing for 11689 and ask a friend or someone you know to consider joining the Order. The next admissions degree is at St. Lawrence on Thursday, June 14, at 6:30 pm.

It is with sadness that I am informing all of you that Brother Carl R. Maron, 78 years old, went home to the Lord on May 9, 2018. Please keep Carl and his family in your prayers. May he rest in peace.

This will be the last message from me to you as your Grand Knight. It has been my honor to serve Council 11689 as your Grand Knight! I stepped into a great legacy of past Grand Knights, and I hope that I lived up to your expectations as your Grand Knight! Thank you to my beautiful wife Janice, who without her love, support and guidance I would not have been able to perform my duties to 11689.

In a very short month. I will become your Past Grand Knight as I take on a different role in our council as the Three Year Trustee. As it was a unanimous decision this year, our council elected current Deputy Grand Knight, Mike Hartel as our new Grand Knight. It has been a quick two years for both of us, and I know Mike will lead our council to new heights during his time as Grand Knight! Looking back on the past two years, it is hard to believe that twenty four months have passed since you elected me as your Grand Knight. Thank you for trusting me to lead our council. Together, we have accomplished a

great deal for our community, parish, and our families. Even though we have made many strides toward greatness, there is always more that we can do to build the domestic church and our Brotherhood. You have my commitment that as the three year trustee, I will work as hard as I did in this past two years to meet and exceed the needs of the community and church.

The 2018 State convention is now over, and on behalf of our 1st alternate delegate Ted Czarny and his wife Sherri (Deputy Grand Knight Mike Hartel and his wife Karla were unable to attend), and my wife Janice and I, we would like to thank all of our Brother Knights for allowing us to represent 11689 at this great event. The new State Officers will be ready for their new positions starting July 1st. I would like to thank our Worthy State Deputy Ken Unterbrink for leading the State of Michigan for the last two years through a very difficult time as we lost our Worthy State Secretary Tony Vittorini...may God rest his soul. Tony was awarded the Posthumous Golden Knight Award.

The New State officers are:
 State Deputy: William Chasse
 State Secretary: Walter Winkle Jr.
 State Treasurer: Christopher Kolomjec
 State Advocate: Barry Borsenik
 State Warden: Charles McCuen (shown below)

The guest speaker this year was Worthy Deputy Supreme Knight of the Knights of Columbus, Patrick Kelly. He is also the executive director of the Saint John Paul II National Shrine. He talked to us about Long Term Sustainability of Brother Knights, and how everyone knows who the Knights of Columbus are, but they don't know what we do. The Knights have produced a video series on this topic, and he would like us all to view and pass out the link to anyone you can: <https://kofceverydayheroes.org/>

The skies cleared and the Living Rosary was able to be prayed as tradition.

Hundreds praying and waiting for the rain to hold off for the Living Rosary. As usual the weather cooperated and the front lawn of the Grand Hotel provided the ideal location. Below the balloons of the Rosary released to Heaven.

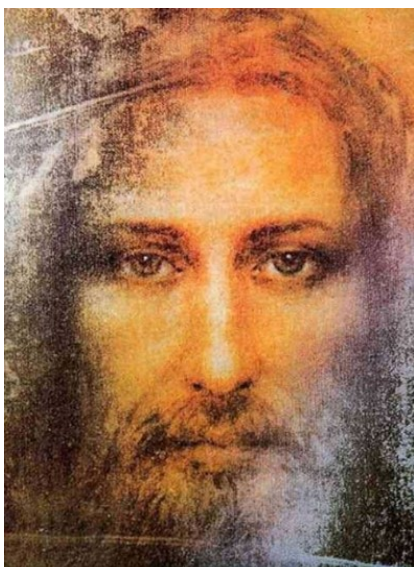

To the Officers who will be completing their terms, I extend my sincerest thank you for the performance of your positions. It has been my pleasure to serve with each of you. To those who have been newly elected as an officer, I congratulate you and wish each of you well during the coming fraternal year. At our May general membership meeting, elections were held and the following Brothers were elected to serve as your officers for the coming year:

Your 2018-2019 Officers are:

Grand Knight	Mike Hartel
Deputy Grand Knight	Tom Gray
Chancellor	Steven Kargenian
Advocate	Ken Krause
Recorder	Rob Tusset
3 Yr Trustee	Art Krygowski
Treasurer	Ray Coughlin
Warden	Tony Guido
Inside Guard	Leon Berdy
Outside Guard	Gerry Vento

The Man of the Shroud Exhibit was on display from May 31st until June 4th. I hope you had a chance to stop by and see this wonderful event. The Shroud of Turin has long been venerated by the faithful and is believed by many to be the burial cloth of Jesus of Nazareth. The Shroud is one of the most scientifically studied religious icons in history. As science has progressed, so has the speculation on how the image of the crucified man of the Shroud was made. Thank you to Fr. Jerry for allowing the Knights of Columbus to bring this to St. Paul of Tarsus and the many people it took to assemble, disassemble and support the event.

Special thank you to Msgr. Todd Lajiness, Rector and President of Sacred Heart Major Seminary in Detroit. Msgr. Todd lived and studied in Rome while he was Cardinal Szoka's secretary. He has studied the shroud while he was in Rome and continues to share his wonderful presentation and reflections on the Man of the shroud.

Thank you to Steven Kargenian, our new pancake breakfast chairman, for his behind-the-scenes organization, and Phil Kwasny for putting on another successful breakfast...along with all the help that jumped right in to serve St. Paul's.

Thank you to Greg Csernai for organizing our annual spring roadside cleanup. We had a small turnout, but we got'er done! Thank you to Ray Coughlin, Greg Csernai, Tom Gray, Mike Hartel, James Lambertus, Ralph Pullis and Gary Skarb for coming out and having some fun!

Many people have been asking for the **Larger K of C lapel pins**. I have them available for purchase – the cost is **\$5.00 each**. Anyone interested can get one at the General Membership or Officers meetings.

From the State Chaplain

PLEASE REVIEW THIS ARTICLE AS IT WILL BE BROUGHT UP IN AT JUNES MEETING:

Support for the Holy Land from All Michigan Councils as we have done last year.

At the request of the State Chaplain and with the Support of the State Council and following the direction of the Supreme Knight who asks the Knights of Columbus Councils to support Christians of the Middle East:

The State Chaplain is asking all Councils to support Our Brothers and Sisters.

These funds, which will receive receipts from the receiving agents will support the following initiatives:

- 1) St. Joseph Patriarchal School in Bethlehem.
- 2) Summer Programs for the children, who in these months are caught in conflicts between protests, the Israeli protection forces and retaliation for violence. The parishes provide summer programs for the children at the churches. One specific initiative has a traveling troop from parish to parish to provide for them half days much like our own Vacation Bible School Programs.

These projects are time sensitive and I am asking Grand Knights to bring the support request to their councils immediately. Please send your checks, which should not exceed the amount that you are allowed to process that night from your Council funds.

There are two ways that you can handle your checks:

A. Make your check payable to the Michigan State Council Knights of Columbus, memo line "Holy Land Initiative:

B. If private donors such as companies etc. would like to make a donation to this initiative they can make the check payable to: Michigan Knights of Columbus Charities, Inc. a 501C3, memo line "Holy Land Initiative"

Mail all checks to:

Only Having Insurance “Through Work” DOESN’T WORK

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there’s a possibility that you (or your spouse) could change employers, or even lose your job.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.

***Receive a complete Family Needs Analysis at my expense.**

DONATION REQUESTS

Because of the ongoing requests for donations, both through the mail and from the floor at Council Meetings, the following procedure to address such requests has become necessary:

All donation requests should have supporting documentation that explains their purpose and beneficiaries. This documentation should be presented to the Council officers for their review. The Council officers, after review, will provide a recommendation on each request to the general membership at the subsequent Council meeting. The recommendations will be voted on at that time.

This procedure will apply to all mail requests and requests made from the floor. Please remember this procedure if you have a request to be made.

VETS Returning Home

I have had several inquiries about giving large appliances like stoves, refrigerators and freezers to the Vets Returning Home program. When these vets leave, they typically move into apartments which already have these appliances. Therefore, the Vets Returning Home organization cannot use these kinds of appliances.

If you have furniture that you wish to donate, they will come to your house for pick-up. The direct number for pick-up is 586-285-5606. When you call they will establish a scheduled time and date for pick-up.

If you have any questions, please call me at 586-469-1997.

Thanks,

Phil Kwasny

The Lighter Side

A Jewish couple has a son who is a holy terror. When he gets to be of age, he's kicked out of every school they put him in. Finally desperate, the father goes to the Rabbi for advice and the Rabbi says put him in the Catholic school. Shocked, the father asks if the Rabbi sure. "Yes" is the reply, so the father takes him to the nuns and leaves. An hour goes by, then two hours, lunch time and finally at three the son comes in says "Good afternoon Papa, good afternoon Ma-ma," goes to the table and starts on his home-work. The father is amazed and finally ask why he stayed in school all day and why he is behaving so well. His son looks up and says "Papa when you left, the Mother Superior told me that they did not allow rowdy boys, then she took me to my room. Papa they mean business! They've got a Jew nailed on a Cross in every room!"

The 98 year old Mother Superior from Ireland was dying. The nuns gathered around her bed trying to make her last journey comfortable. They gave her some warm milk to drink but she refused. Then one of the nuns took the glass back to the kitchen. Remembering a bottle of Irish whiskey received as a gift the previous Christmas, she opened and poured a generous amount into the warm milk. Back at Mother Superior's bed, she held the glass to her lips. Mother drank a little, then a little more and before they knew it, she had drunk the whole glass down to the last drop. "Mother," the nuns asked with earnest, "please give us some wisdom before you die." She raised herself up in bed and with a pious look on her face said, "Don't sell that cow.

Jesus, Moses and St. Peter were out playing golf. They got to a par three with a pond in front of the green. Moses has the honor and hits first. He tops his shot and it goes screaming along the ground toward the lake. Moses takes his club, wields it like a staff, raises his arms and miraculously the waters part, the ball runs through and up onto the green Next up is St. Peter. He also tops his shot and it runs along the ground

toward the pond. Peter drops to his knees and aspirations of faith toward the Trinity. The ball skips across the top of the water and up onto the green. Finally Jesus is up. He hits His shot and it is a weak shot heading right for the water. All of a sudden a squirrel runs out from the bushes grabs the ball and starts running....now there is an eagle soaring above the golf course, it swoops down and grabs the squirrel. As the eagle is soaring away over the green, a bolt of lightning strikes the eagle, who drops the squirrel; when the squirrel lands on the green, it lets go of the ball which rolls in the hole for a hole-in-one!!!! St. Peter and Moses are clapping and congratulating the Lord. Jesus then turns looks up to the heavens and says, "Dad, I can do this on my own, THANK YOU VERY MUCH!!!!"

The local parish had a fairly new priest. He had wonderful, innovative ideas - that were, for the most part accepted by the congregation. His mentor - a "higher ranking" priest came for a visit - to see how he was doing. After looking the parish over - the senior priest said, "Father John - your idea of a drive through confessional is wonderful. That makes it so convenient for your church members. And - Father John - it was a really good idea to have the confessional open 24 hours a day - for those who work "shift" work. However - Father John - that flashing neon sign that says - "TOOT and TELL or GO TO HELL" - has GOT TO GO!!!

The new priest is nervous about hearing confessions, so he asks an older priest to sit in on his sessions. The new priest hears a couple confessions, then the old priest asks him to step out of the confessional for a few suggestions. The old priest suggests, "Cross your arms over your chest, and rub your chin with one hand." The new priest tries this. The old priest suggests, "Try saying things like, 'I see, yes, go on, and I understand. How did you feel about that?'" The new priest says those things. The old priest says, "Now, don't you think that's a little better than slapping your knee and saying 'No kidding'? What happened next?"

A drunken man staggers into a Catholic Church, sits down in the confession box and says nothing. After a few minutes the priest coughs to

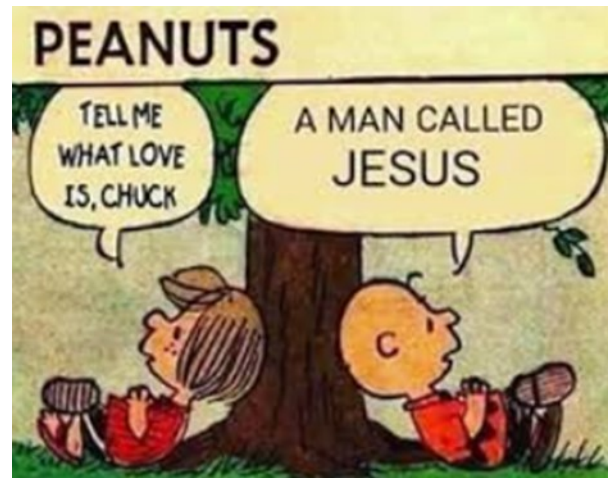

attract the man's attention, but still the man says nothing. The priest then knocks on the wall three times in and attempt to get the man to speak. Finally, the drunk replies, "No use knocking mate, there's no paper in this one either".

A funeral service is being held in a church for a woman who has just passed away. At the end of the service, the pallbearers carrying the casket accidentally bump into a wall jarring the casket. They hear a faint moan. They open the casket and find that the woman is actually alive. She lives for 10 more years and then dies. A ceremony is again held at the same church and at the end the pallbearers are again carrying the casket out. As they are walking, the husband calls out, "Watch out for the wall!"

I will leave you with this one I know it is a repeat but I love it!!

The Pope goes to New York. He is picked up at the airport by a limousine. He looks at the beautiful car and says to the driver, "You know, I hardly ever get to drive. Would you please let me?" The driver is understandably hesitant and says, "I'm sorry, but I don't think I'm supposed to do that." But the Pope persists, "Please?" The driver finally lets up. "Oh, all right, I can't really say no to the Pope." So the Pope takes the wheel, and boy, is he a speed demon! He hits the gas and goes around 100 mph in a 45 zone. A policeman notices and pulls him over. The cop walks up and asks the Pope to roll down the window. Startled and surprised, the young officer asks the Pope to wait a minute. He goes back to his patrol car and radios the chief. Cop: Chief, I have a problem. Chief: What sort of problem? Cop: Well, you see, I pulled over this guy for driving way over the speed limit but it's someone really important.

Chief: Important like the mayor? Cop: No, no, much more important than that. Chief: Important like the governor? Cop: Wayyyyyy more important than that. Chief: Like the president? Cop: More. Chief: Who's more important than the president? Cop: I don't know, but he's got the Pope driving for him!

If tomorrow all the things were gone I'd worked for all my life,
And I had to start again with just my children and my wife.
I'd thank my lucky stars to be living here today,
'Cause the flag still stands for freedom and they can't take that away.

From the lakes of Minnesota, to the hills of Tennessee,
Across the plains of Texas, from sea to shining sea,
From Detroit down to Houston and New York to LA,
Well, there's pride in every American heart,
And it's time we stand and say:

That I'm proud to be an American where at least I know I'm free
And I won't forget the men who died who gave that right to me
And I'd gladly stand up next to you to defend her still today
'Cause there ain't no doubt I love this land
God Bless the USA

On December 3, 2016, Anthony Mastronardi suffered a major spinal cord injury while playing hockey for the Dakota Cougars at Mt. Clemens Ice Arena. Anthony's tremendous will to walk and his Christian faith have helped him take on this life challenge. Through his early journey, he has inspired many. Anthony's journey comes with great expense, the majority of which is not covered by health insurance. Currently, Anthony has therapy at The Rehab Institute of Michigan 5 days a week, and at Barwis Gym in Plymouth 3 days a week. Anthony is reporting sensation in his legs and has had wrist improvement, as well. The road is still long. This year's outing will directly support Anthony's Barwis Therapy, which is not covered by insurance, and costs the family \$1000/week.
